

Making Guide Squashing: Playdough

1. Measure out your ingredients.

To make a good handful of dough you will need...

- 1 cup plain flour
- 1/3 cup salt
- just under a tablespoon of oil
- 1/4 cup water
- food colouring / water based paint / powder paint if you'd like to dye your dough

2. Mix your salt and flour together in a bowl.

3. Stir your oil, water and food colouring together in a different bowl making sure they are nice and combined.

4. Add your two mixtures together.

5. Work it into a dough, squishing and squashing it together.

What shapes and impressions can you make with your body and the dough?

Try pressing your dough into packaging moulds or surfaces you can find around the home.

Build with other items on the #MakeShiftStudio materials list.

If you would like to keep your dough shapes, they can be baked in an oven for a couple of hours at a low temp. - around 100 °C.
